New Music - June 2009.Q: Are there any open source conversion tools for software on PS3 to XBOX360? I have some old (semi-broken) software on PS3 and would like to play it on the XBOX360. I'm afraid this will

be a difficult task and I don't have access to the original files of the software, I just have a PS3 debug disk, so basically I have the software's data. Are there any conversion tools, like xbox or similar which might help me in this? A: No, there are no tools, but there are some projects that are starting to emerge to get around the problem. The most promising is a project to provide a console to PC (USB) emulation layer. I don't know if it would work for your purposes, but it might be worth looking at. The other is emulation itself, in the form of haXe. Many more questions are asked on this site, but a lot of answers can be found there. Q: How to apply a per-numeric column function over n-levels of a factor variable This may be easily accomplished by row operations and a couple of (case) statements, but I'd like to do it using dplyr. I have a data frame of the form > data ID Year Month 1 1 2014 April 2 2 2014 April 3 3 2014 April 4 1 2015 May 5 2 2015
